To Our Graduates

Leaving Primary School is a bit like
going up in a hot air balloon.
It is nerve wracking and exciting at the same time.

We hope that you are looking forward to your journey,
because life is full of adventure for those who seek it.

We at Melrose are very proud of you
and your achievements over your Primary School life.

Take care to be yourself, value close friendships
and work at being good at who you are.

CONCLUDING REMARKS

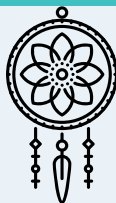

Ben Slocombe's final comment

We will finish our graduation ceremony today by singing the Melrose Primary School song,
Dare to Dream

Dare to Dream

We are the future
Let's get ready, let's get strong
Life is what we make it
Let's learn to get along
At Melrose School we practise skills
We need along the way
In a topsy turvy changing world
Here's what we like to say

(CHORUS)

***Dare to dream a dream
that's big and brave and bold
Take one small step at a time
And daily set our goals
Work at school
Guided by the golden rule
At Melrose we raise our voices
Sing! We dare to dream.***

Moments of bravery
Moments of fear
Gathering the wisdom
To live, to hope, to care
We change ourselves
We change the world
We listen with our hearts
Learn to make good choices
And know right from the start.

(CHORUS)

***We dare to dream a dream
that's big and brave and bold
Take one small step at a time
And daily set our goals
Work at school
Guided by the golden rule
At Melrose we raise our voices
Sing! We dare to dream.***
